The Fenstanton Community - additional support available during the Coronavirus outbreak

The information will be updated as we become aware of additional support - on notices and posters around the village, in local shops and businesses, on social media and village websites and shared with community groups and clubs.

Getting Messages out

If you need to get a message out, and don't have access to a phone or the internet, the brilliant Fenstanton Posties have offered to pick these up from your letterboxes and ensure they get to the right group.

If you have a message that needs to be picked up, please **hang a tea towel on the outside of your letterbox.**
